

Vienna, December 2021

Dear clients!

Shortly before the end of the year, we would like to inform you about the payment of premiums. If you want to pay tax and social insurance-free premiums this year, you must inform us quickly.

Unfortunately, this regulation has only now been decided.

Reading through my Christmas letter from last year, I noticed that not much has changed. COVID still dominates our daily lives and I am still surprised at how professionally the business community is dealing with this situation.

Not much has changed in our office either. As in 2020, more than a thousand applications for short-time work support, turnover bonuses, loss compensation, etc., have pushed our staff to the limit.

Therefore, we would like to take this opportunity to thank our staff for their dedication and commitment, as they have been and continue to be confronted with an extraordinary workload.

Internally, we had some changes. Sabine Weißkirchner has left us, as she has found a job near her home. Astrid Schiefer from our secretarial/accounting department also changed careers and left us. Instead, Astrid Ikonik returned from maternity leave.

Florian Zauner has been supporting our tax department since October. He is a certified tax consultant and was previously employed at KPMG.

Julia Bauer is having a baby and is on early leave, and Eva Püringer's second daughter was born in November. Daniela Pichler celebrated her 20th anniversary this year and I would like to thank her for the prudence with which she carries out her function as head of the office. And last but not least, I was appointed as a tax advisor 30 years ago this year, also a lot of experience that I have been able to gain during this time.

As every year, we decided not to give out Christmas presents again this year and instead supported several non-profit organizations. Our largest donation this year went to the tornado victims in our neighbouring country, the Czech Republic.

Dear clients, I would like to thank you all very much for your cooperation, which has often lasted for decades.

I wish you all a Merry and Blessed Christmas, much calmness in dealing with the COVID situation and all the best, health and satisfaction as well as economic success in 2022.

With best wishes
