### COVID-19 Antivirus extension – modes A and B

On 24 August 2020, the government approved the **extension** of the **Antivirus program in mode A** (forced traffic restrictions and quarantined employees) **and B** (indirect effects of the coronavirus crisis - decline in demand for products and services, supply of inputs) **until the end of October 2020**.

We have informed you about the Antivirus A and B program in the client information:
