### COVID-19: COVID 2022 – Sectoral Support

*The Ministry of Industry and Trade has published another call for the subsidy program "COVID 2022 - Sectoral Support". CZK 1 750 million has been earmarked for this program.*

The COVID 2022 program is available to **providers of restaurant services, accommodation services, laundries, travel agencies and travel agents, and organizers of sports, cultural and conference events**. The support is aimed at companies whose turnover in the reference period has decreased by **at least 50%** compared to the same period in 2019.

The subsidy is granted in the amount of **CZK 500** for each employee, multiplied by the number of days in the relevant period.

For restaurants, accommodation providers, laundries and travel agencies the subsidy is granted for the reference period **from November to December 2021**, the maximum amount of the subsidy is **CZK 1.5 million**.

For organizers of sports, cultural, conference and other events, the subsidy is granted for the reference period **from November 2021 to February 2022** in the maximum amount of **CZK 3 million**.

If the amount of the subsidy exceeds CZK 1.5 million, the data on the decrease in sales must be verified by a tax advisor or auditor.

The subsidy from the COVID 2022 program cannot be combined with the subsidy from the COVID - Uncovered Costs program and other programs in the same period. COVID 2022 can be combined with the Antivirus and Compensation Bonus programs.

Applications may be submitted **from April 5, 2022 through May 12, 2022.**
