Invitation

We would like to invite you to our fundraising and capital markets event on Monday 16 September which will start with a seminar and follow with the opportunity to arrange one to one meetings with our experts either on the day or during the following morning.

The event will focus primarily on admission to AIM, a market operated by the London Stock Exchange, and on fundraising from private sources.

The event will feature expert speakers from the London Stock Exchange and from UHY Hacker Young's corporate finance team and is intended to explore the availability of private funds and the access to the capital markets route, the options available from the London markets, the process involved in getting access to funds from London based and international lenders, and how to maximise the benefits to your business.

The event will be opened by **Czech Minister of Industry and Trade, doc. Ing. Jiří Cienčila, CSc.**, and followed by a presentation from **Axel Kalinowski of the London Stock Exchange** on:

London – a world financial centre, with AIM focus

Other presentations, given by **Laurence Sacker & Odhran Dodd** of UHY Hacker Young, will cover:

Initial public offerings and fundraising

If you would like to discuss your attendance at this event or need more information, please call Lenka Vargova Pasku in our London office on +44 (0)20 7216 4623.
