Company management expansion

AUDITOR was established by Dr Martin Zallmann and myself exactly **25 years** ago. Both of us acted as executive officers in the initial years. Dr Martin Zallmann lost his life in a car accident in 2004. In 1995, the management was extended to include Marie Haasová.

Due to our growth and the fact that since I am an Austrian Honorary Consul I tend to spend more time in Brno, we agreed to extend our management further. We have managed to acquire **Mag. Helmut Hetlinger** for our team.

Mr Hetlinger is 44, is married and has two children. He is an Austrian auditor and tax adviser with more than 10 years' experience in a managerial position in an auditing and tax advisory company. He specialises in issues of **international taxation** and **cross-border employee posting**. Thanks to this he will be also active in the acquisition of new clients.

We are excited that we have managed to strengthen our team of managers and thus the whole company and we are convinced that another step has been taken towards **optimum care for our clients on a highly professional level**. ■
