23. 5. 2011

On 20 May, 2011 AUDITOR in Prague celebrated 20 years of activity in the Czech Republic.

**AUDITOR is an auditing and tax consulting company operating in the Czech Republic, Slovakia, and Austria.**

It has Czech company offices in Prague, Brno, and Pelhřimov, where approximately 110 experts are employed. Its clients are mainly medium-sized and large international companies.

AUDITOR represents UHY International, a worldwide network of international and tax consulting companies in the Czech Republic, Slovakia, and Austria. For its 20<sup>th</sup> anniversary, AUDITOR hosted an UHY International conference for the Europe–Near East–Africa region. The Managing Director of the company, Mag. Georg Stöger, welcomed more than 100 participants from different countries. As he says, it was his honour to also welcome the Board President, Mr John Wolfgang, from New York.

The programme of this two-day-long conference offered an opportunity to exchange expert knowledge, and discuss common – as well as differing – professional experience in different countries. Findings in the areas of marketing and educational strategy were also shared.

At the end of the conference, Mr John Wolfgang said, “A perfectly organised and effective conference in one of the most beautiful cities in the world, under the leadership of the AUDITOR company, one of the most dynamic and active members of UHY International.”

AUDITOR colleagues from the Slovak Republic and Austria (operating as Stöger & Partner) also participated in the celebration.
