UHY strengthens presence in Asia as firm in Thailand joins the network

Stöger & Partner welcomes new member in Thailand, Yongyuth Accounting and Son Co. Ltd and its affiliate firm, Saman Audit and Corporate Services Co. Ltd., to the global accountancy network UHY, of which our firm has been a member since 1999.

Yongyuth Accounting and Son Co. Ltd. was established in 1967 with a history spanning over two generations and nearly four decades. With three partners and a team of 25 staff, the firm, based in Bangkok, provides tax, bookkeeping and company secretarial services focussing on the business needs of clients covering a variety of sectors such as trading, manufacturing, entertainment and construction.

Managing partner, Panit Mokarakorn, says: “We joined the UHY network for a number of reasons. The global presence of the network combined with the expertise and knowledge of UHY’s people around the world not only strengthens our own capabilities, locally and internationally, but also these of our clients and their operations. We strongly believe that our membership of the UHY network will not only create great opportunities for the ASEAN Economic Community (AEC), but also on a more global scale in the future.”

Mag. Georg Stöger, partner of Stöger & Partner Wirtschaftstreuhand- und SteuerberatungsgmbH, member of UHY commented: “We are delighted Yongyuth Accounting and Son Co. Ltd. and its affiliate have joined the UHY network extending the UHY network’s coverage and capabilities in Asia. The firm’s admittance to the UHY network will add a great deal of regional market and sector expertise. We strongly believe the firm is a very good fit for our network.”
